Shaping Tomorrow's Journeys: The
Future of Mobility

Thursday, 21st March 2024

Future Mobility

The Future Mobility event dives into the progressive changes in the realm of transportation and urban infrastructure. As urban spaces grapple with growing populations, dynamic needs, environmental concerns, and emerging technologies, charting the way forward has never been more pivotal. This summit unites pioneers and domain specialists to impart knowledge, viewpoints, and tactics in steering mobility innovation. The conference will highlight governmental policies, cutting-edge technologies, and best practices in urban transportation, aiming to sculpt a forward-thinking mobility ecosystem.

Benefits of Attending

The Future Series will enable you to share ideas, benchmark, and network with 100+ peers across Australia and New Zealand

Hear from 7+ inspiring speakers on the hottest topics in the sector such as meeting urban demands, autonomous vehicles, sustainable mobility, urban air mobility and multi-modal solutions

Discover strategies for integrating technology into the meeting of urban demands and future mobility
