Canadian Security Showcase

Together, Safeguarding the Future of the Nation

Thursday, December 5, 2024
Ottawa, Ontario

Agenda at a Glance

Welcome to the Canadian Security Showcase, the premier event dedicated to exploring the multifaceted landscape of national security in Canada. This conference will bring together top government officials, industry leaders, cyber security experts and law enforcement agencies to delve into critical issues impacting Canada's security and to strategize effective solutions. Through a series of engaging keynote speeches, panel discussions, and networking opportunities, attendees will gain valuable insights into the evolving threats, emerging technologies, and collaborative approaches to safeguarding the nation.

This conference offers a unique platform for networking, knowledge exchange, and collaboration among stakeholders invested in safeguarding Canada's national security. Don't miss this opportunity to contribute to Canada's national security dialogue. Register now and join the forefront of the nation's security efforts.

Who You'll Meet

This series is designed for Chiefs, Heads, Directors, Managers, Policy Makers of:

- National Security
- Border Control and Defence
- Cyber Security
- Public Safety
- Emergency Services and Policing
- Policy Makers
- Surveillance
- Data & Intelligence

Benefits of Attending

Your chance to collaborate with industry leaders about the latest requirements to uplift national security to protect against cyber threats, terrorism and extremism.

Discover strategies to harness the next phase of capability advancement and the opportunity to strengthen the nation's defence against threats to data, infrastructure and democracy.

Explore how to navigate the evolving era of cyber security, intelligence capabilities and critical infrastructure protection. Uncover the latest technologies and strategies to strengthen preparedness and performance.
